WITH TASTE TRADITIONS SOUTHWEST STYLE BLACK BEAN SOUP

Our Taste Traditions Southwest Style Black Bean Soup features a rich, savory broth crafted from vegetable stock and black bean puree, seasoned with a classic southwest blend of cumin, chili, and garlic. Whole black beans deliver a satisfying texture to complement the thickened broth, while onions, sweet corn, red bell peppers, and jalapenos add vibrant color, pleasant crunch, and just a little heat. Enjoy it as a delicious standalone option, or easily dress it up using back-of-house staples such as shredded cheese, tortilla chips, sour cream, and fresh cilantro. It makes an excellent pairing with any of our other Mexican offerings, making it the perfect way to delight your diners and maximize your profitability.
